Chaplain Rail Cars,

Grace Huston, Department Chaplain, in her bulletin, she shared guidance lines, from the National Chaplain, Carol T, Robinson, which you can get from the website.

The main point is that the American Legion Auxiliary is a nonsectarian and interfaith group that respects all expressions of faith.

Chaplains must show equal respect to ALL, regardless of personal beliefs.

Please, remember to send your Membership Data, when there is a death to Department and to District Chaplain.
