

American Legion Auxiliary
Department of California
District 28
Community Service Report

September 18, 2022

Good Morning Conductors,

That's right as Community Service Chairpersons for the District and for your Units we will be known as Friendship Train Conductors.

Our job is to be aware of the needs in our community and to share resources to help our members through community projects that bring awareness of our mission to help veterans and families. or through the California disaster fund for devastating events.

I have printed the latest Department bulletin that shares all the dates of opportunities to get involved with throughout the year.

These bulletins are updated with great information to be found at (calegionauxiliary.org) search under committee and programs.

Keep this Friendship train a movin on down the tracks and plan on participating in projects.

There are plenty of suggestions on the Program Plan of action packet that I printed for you and continue to visit the community Service committee page at ALAforVeterans.org

This concludes my report,
Esther LePore.
D-28 Community Service Chair
