

American Legion Auxiliary
Department of California
District 28
Unit President Report

September 17, 2023

Madame President Rebecca Glenny, Officers, and Members of the Auxiliary,

The current membership numbers are 18 Seniors, we are currently at 28%.

In the Summer months, Unit 512 has been fairly active. The public music events happen twice a month are going very well. Commander Gerry has said that the events are bringing in more people and we are also getting new memberships from the events including Legionnaires, Sons, Auxiliary, and Patriots. We are fully booked for music twice a month until the end of the year, including New Year's Eve with the Transducers as we did last year. We have weekly acoustic music in the lounge on Wednesdays from 6:00 – 8:00pm.

Sadly, a few of our Post family members have passed away. We held a celebration of life for Ernie Baber on July 29. Ernie was a past Post Commander and full time Legionnaire. We will miss him dearly. The second loss was Jesse Gore, a Son of The American Legion. He will be celebrated on Oct 1, 2023 at Post 512. Jesse was taken from us too young.

On a more positive note, Project Hero (AKA: Ride to Recovery) will be cycling into the Post on Monday, October 16. The Post is looking forward to this event. For more information, please go to <https://weareprojecthero.org/event/2023-california-challenge>.

This concludes my report.

With appreciation and respect,

Marguerite Blum, Unit 512 President
