

Department of California
District 28

Community Service
November 19, 2023

Madame District President Rebecca and District 28 members,

1. October and November bulletins reminded members of dates to remember through the months. For reporting purposes, if your Unit had events or recognized any of the main holidays to include them in your reports. October and November had Breast Cancer Awareness month, Navy's birthday, Halloween, Marine Corp Birthday, Veterans Day and Thanksgiving, just to name a few.
2. The Department Chairman encourage us to buy products from small businesses ran by veterans, visit VA hospitals, homeless Veterans shelters or retirement homes, decorate graves, team up with another organization and make care packages to send overseas.
3. Mid-year reports are due to me by Dec 1. Please be reminded that if your Unit does not have a Community Service Chairman, then the Unit President should fill out the forms along with a supplemental to me by Dec 1. When filling out your reports, make sure to include any events that include the community. Any of you that participated in any of the cancer fundraisers, such as Relay for Life or Golden Circle of Champions, or participated in the Veterans Day Parade or ceremonies to include them in your report along with any pictures, if possible.
4. I would like to wish you all a very Happy Thanksgiving and holiday season.

Sherryl Panek, Chairman
