

Department of California  
District 28  
Education

Madame President, Chairmen, and Auxiliary,

It's that time of year for the aroma of pumpkin spice coffee, dazzling colors of autumn leaves, and Mid-year reports! Dang, thought I'd give you some good thoughts before reality!

Included in your unit packets is the Mid-year form, the Department November Bulletin that has valuable information on Scholarship applications that are updated and available as well as new public laws about education that have passed.

Also included is the Scholarship fundraiser flyer and another donation letter to help your unit receive donations.

I'm pleased to announce that we have received our first donation of \$250.00. Thanks to Rosemary Barron of Unit 589.

Thank you to Jon and Susan Baker for their time in printing the Scholarship fundraiser flyers, tickets, and putting in packs of ten! Tickets are now ready to be checked out by your unit President. Please see me at luncheon or after our meeting.

Remember; this is a District fundraiser. All units are expected to participate and donate. Funds raised are for your unit applicants!

Let's make this year's event even more successful than last! I thank you all for your support. I wish you and yours a Happy Thanksgiving! God bless America and our Veterans!

Respectfully submitted
