Leadership Program Bulletin
November 19, 2023

Hello members!

Welcome to the beginning of the holiday season. I hope this bulletin finds you and your families well and prosperous.

First, I would like to thank all Unit Presidents, chairmen and members that attended the Leadership workshop at Post 694 on November 5, 2023. We had 8 Units represented and a total of 29 members in attendance. I hope you all went away with some useful information and learned at least one new thing. If you would like further information on anything we discussed, please reach out and let me know. I am here to help.

Our Department Leadership Chairman, Donna Mattox, needs our mid-year reports by December 15th. Please ensure you get your report to me by December 1st. I know we are all very busy, but this is an expectation we need to complete. If you have had no activities, please send me a copy of the form with "no activities" line marked. It is as easy as that.

Please remember that leadership is not a position, but a way of working our programs. Working together, we make our world a better place for our Veterans, our communities, and our children. Being a chairman or officer does not mean you have to do everything by yourself. We are a team. More hands make the work easier for all involved. Let's work together to complete our mission.

If you have any questions or concerns, please reach out. I will do my best to answer your questions. If I do not have an answer, I will find one. Thank you for all you do for our Veterans.

Respectfully~

Robin Falkenberg, Chairman
