

D28 Legislative Report

September 17, 2023

Madam President Esther, all District Auxiliary officers and members,

Moving into our new 2023-2024 Legislative year, I'm excited to work toward our Madame President Glenda Schultz's theme of United As One! For those of you Legislative Chairpersons, we will be known as the CA Assembly. It's a big seat to fill so let's use our resources and be ready as our call to duty is ongoing and never ending. There are bills to support our veterans and their benefits are due to them but it takes our support to get those approved.

As always, I will continue to encourage all of our Units and members alike to sign up for VoterVoice.net, the Dispatch and E-news, so that they keep top of mind all American Legion current bills and legislation that will help ultimately support our active and veterans military men and women.

Let's always remember... to stay United As One!

Once there, click on the red box at the top "Sign Up for Alerts." It's that easy!

Always yours in service,

Kimberly Stuhler
