

AMERICAN LEGION AUXILIARY
DEPARTMENT OF CALIFORNIA
DISTRICT 28

Music bulletin #1
17 September 2023

Madame President, Chairmen, and Auxiliary,

I'm happy to be your Music Chairman this year. In this packet I have included the Department Chairman's bulletin from August. There are many great ideas on how to bring music into your Unit activities. I really like the idea of supporting music programs/groups in local schools. Music programs have suffered so much with the reduction of funds. Maybe our Auxiliary can bridge the gap by supporting them in some way.

Thought we would have a little fun with this program. I've made a Music Book for each unit to use in your meetings and functions. I thought the children graphics were fun! Music adds life to our lives and can give us joy as if we are children again. It lifts our spirits, rekindles our memories, and instills the rush of Patriotism back into our hearts. Every meeting I am going to share other songs to add to your unit book. Hope this becomes a treasure to pass on for future events, holidays, and celebrations.

Respectfully submitted
District 28 Music Chairman
Molly K. Smith
