

Department of California  
District 28  
Resolutions Report  
November 19, 2023

Good Morning District 28 Officers Chairmen and Unit Membership,

**Wheras** I have been so privileged to receive this appointment of resolutions chair, and the department theme "United as One" is so inspirational

**Wheras** this year our Dept, of California Chairman Linda Ferrcho will be awarding prizes for our submissions; I would like to inspire you to accept my challenge that I offered at our September D28 meeting.

**Wheras** I am including in your Unit folders a sample writing of resolutions format for bread and butter and an explanation of how a resolution is a way to make a change in areas for progress as its brought before the body

**So be it resolved** that this chairman is seeking Unit members who are ready and willing to join in the challenge for a District Prize

**So be it further resolved** this chair will do her best to write a winning resolution from the many entries that this chairman expects to receive from your Unit. As your reports are due to this Chairman by Dec.1st, 2023

Thank you for your consideration, Lets have a great Bread and Butter year, please send in your mid year so that I can report 100%.  
I wish you a very blessed Holiday season.

Esther LePore D-28 Resolutions Chair
