

Department of California
District 28

Prunedale Unit 593
(11/19/2023)

Good Morning Madam President and officers of District 28.

The Prunedale unit has been busy with lots of parties since we last met. Our kids Halloween party on Oct 22 was a blast. We had over 20 kids that came out to show off their costumes and do some crafts. Cousin It even made an appearance!

On Friday Oct 27, we had our adult Halloween party. The Auxiliary team an amazing job on the decorations and laid out a couple of grazing tables to feed all the ghouls . The post provided a band and prizes for the costume contest.

Our early bird dinner was on 11/10. The auxiliary decorating team did their usual awesome job. The commander cooked chicken fried steak and the auxiliary did the sides. We served almost 200 people that night and had a lot of people renew their dues. We also had an opportunity drawing to support our girls state program.

The following day was Veterans Day and we held our annual free BBQ. The post and Sons cooked hot dogs and burgers and the auxiliary provided the mac and potato salads.

We are currently working on holiday dinners. Our post always has a free community dinner for both Thanksgiving and Christmas. It takes the whole legion family to pull these off. A lot is donated but the post pitches in for anything else that is needed. The Post, Sons and Auxiliary team up to do the cooking, serving and cleaning. We generally serve up to 250-300 people on these holiday meals.

On top of that we have our kids Christmas party coming up on Dec 9. We currently have 43 kids signed up and expect more by thanksgiving. This will be our biggest year yet!

Thank you for your time

Karen Cabael
President
Unit 593 Prunedale
