

Unit 41 Report

March 19, 2022

Madam President Liz, all District Auxiliary officers and members as well as Madam President Dee Ann.

As of our last D28 meeting on January 23, 2022, here's where our Unit 41 stands...

With much sadness for the loss of our President, Patti, we, as a Unit, have been very busy piecing together the puzzle of programs, due dates, changing of bank signatories, formalizing Treasurer reports and the like. I truly want to thank our Madam President Liz Doidge, Madam Everything Susan Baker, Madam Everything Robin Falkenberg as well as our amazing financial guru, Sherryl Panek! Your support has kept our unit unified.

We had a very successful Valentine's Day dinner on Feb. 14, 2022. A lasagna dinner including salad, French bread and dessert was served for \$25.-/pp. with 50 tickets being sold. The evening included a 50/50 Raffle as well as a Silent Auction. We ultimately netted \$2,343.08.

During our March meeting, we read our Constitutions & Bylaws as well as our Standing Rules and are ready for the 2nd reading and vote during our April meeting. These changes will correct meeting time and day of our regularly scheduled monthly meetings as well as eliminate overlap of our Constitution & Bylaws with our Standing Rules.

On Thursday, March 17th, our Auxiliary played a supporting role, for our AL Post 41 during a St. Patrick's Day Luncheon, in which we helped cook, serve, clean and greet our fabulous membership and guests.

Always yours in service,

Kimberly Stuhler on behalf of Madame President Pro Tem Debra Trulson
