

American Legion Auxiliary  
Department of California  
District 28

**Auxiliary Emergency Fund  
Report  
May 2022**

Dear Members,

Here we are at the end of the 2021-22 Auxiliary year and the Donut Shop will soon be closed for the trip to Visalia and the Department convention.

This Chairman received seven end-of-year Unit reports, one 'no report', and two Units did not submit reports or acknowledge my requests for information. At the date of this writing District 28 donations for AEF total \$204.71. Contributions from the Silly Tax Form Fundraiser amount to \$48.19, bringing the total to \$252.90, plus whatever we collect today, to donate to AEF National. I am happy to advise that no District 28 members needed assistance from AEF this year.

Lovely Lulu is here today, even though she broke both legs in a terrible accident while traveling to the recent District 28 workshop. She will gladly accept your spare change, and we both thank you for your generosity!

Since fundraising for AEF is ongoing, donations to the program can be made at any time. Likewise, disasters and personal crises happen without warning. Units are encouraged to budget \$1 per member for next year's AEF donation. You never know when it might be YOU needing financial assistance.

Since this Chairman did not receive any supplemental reports, no cash awards are being given for AEF this year. However, we did have 2 Unit members who each made personal donations of \$50 to this program. For each of these ladies I have a certificate of appreciation: Esther LePore, Unit 69; and Angela McDaniel, Unit 593. Thank you so much for your generosity.

Susan Baker, District 28 Chair, 831-324-0191
