

American Legion Auxiliary
Americanism Bulletin #3
District 28
Chairman: Elizabeth Doidge

Did you know that Emblem Sales has a postcard you can mail to businesses or homes that lets people know that it's time to take their worn flags down for replacement. It also lets them know that their flags can be taken to their local American Legion for proper disposal. I know a few of our posts have the flag disposal mailboxes and other collect flags for disposal.

Make sure to check out the American Legion Auxiliary Americanism Program Facebook group for more ideas on how to promote Americanism within your Unit and community. We are encouraged to look up each of our program's pages and share what we're doing and get ideas for new things to implement.

The Americanism Essay Contest will be here before you know it. Make sure to get your essays in to me on time so I can get them to Department on time.

I still have flags for Flying Flags for Heroes, so if you haven't gotten your Units flags, please reach out. Take time to help honor our veterans that have done so much for us.

Respectfully Submitted
