

Ruby Kapsalis, District EOY report, May 12, 2022

All Units who have made changes to their Constitution and Bylaws this past year, need to send one copy of the signed copies that Department returned to the Unit for District records. Units 69 and 81 both made changes and District needs copies of the changes made.

Good news is that no Units in D28 are required to completely rewrite their Constitution and Bylaws until 2026.

100% reporting filed before the deadline with seven units reporting and 3 with no activity.
