Leadership report

May 2022

Hello members~

As our Auxiliary year comes to a close, thank you to those Units who took the time and submitted an end of year report. For those that did not, you were credited with no activities. There should always be some sort of leadership being conducted in our Units, from mentoring to reviewing standing rules or the constitution and bylaws; from reviewing programs to planning a fundraiser to support one or more of the programs. There is always something to learn. No one knows everything no matter how long they have been a member.

On a positive note, the District leadership workshop that was held at Monterey Post 41 was well attended. There were 19 in attendance, representing 4 units. Unit 41 had 11 members in attendance. Eleven members qualified for their leadership cards. Thank you one and all. It was a fun, informative day. I appreciate all who presented, as well. Your input aided in the success of the day.

As there were no supplemental reports, there are no awards this year.

Respectfully submitted~
