

American Legion Auxiliary.
Department of California
District 28
Membership Report

March 19,2022.

Greetings Lady Surfers, Madame President Liz Doidge and members of D28

We have some gnarly Surfers within our units that are doing an awesome job at increasing their totals since January's mid Year meeting!!

In my last report I suggested that it was time to call and/or pay a visit your unpaid membership and I am pleased to share that all units have recorded an increase in percentages since that time. All our units have shown an increase.

I am stoked to share that my own Unit 69 in Hollister has increased from 46% up to 84% since January and Gonzalez Unit 81 has increased from 70% to 89% Just to name a couple.

Therefore I can say "No Waves No Glory"!! So let's make waves and ride this wave to 100%

At the January meeting we were advised that National convention of the American Legion Auxiliary foresees a possibility of an increase in dues at that level.

Which will in effect cause an increase at the Department level.

Therefore I would like to encourage Units to begin advising your members of the possible increase dues after revisions are completed.

Address this matter this year because; it will be process to start the changes in your standing rules and your Unit bylaws and in your Unit Data information form filings.

Please follow due process for these changes.

Attached to this report, is the "EOY" End Of Year report forms. I look forward to reading your written supplemental reports telling all about how your Unit rides the waves towards meeting 100% of membership goals.

Completed forms and supplementals are due to me by April 8th,2022. Scan and send to my email (lepore_e@yahoo.com) or by mail at P.O.Box 2305 Hollister 95024.

Hang Loose, this concludes my membership report.

Esther LePore D-28
1st Vice Membership Chair
