

AMERICAN LEGION AUXILIARY
DEPARTMENT OF CALIFORNIA
DISTRICT 28
EDUCATION BULLETIN # 2
21 November 2021

Madame President, District Officers, and Chairman,

Its that time of year when mid year reports are due. Have them to me by December first. I have attached report forms with this bulletin and sent to all Unit Presidents.

Report donations to Department, District, Poppy Seals purchased, and Give Ten items with costs. If you don't have a report, please fill in the top of form and put no report across it. Please email to whitebuffalogoods@hotmail.com

Quick recap on Scholarship fundraiser. All Units, please do not schedule any other functions for February 19th which is a Saturday. This fundraiser is a District 28 fundraiser. We're asking all units to donate basket drawing prizes and desserts. Cost of ticket is all inclusive with Kona Jerry's Brisket with all fixings Potato Bar and Dessert bar. Event 12 to 4 with McGuffie road band.

I have a question for District today. Would you like paper tickets along with Eventbrite? If so, then all online tickets would be same price as paper tickets, \$15.00 each.

If anyone would like a donation letter for your Unit for basket items let me know. I will be sending out event flyers soon for posting. Please share to everyone! Let's make this the best fundraiser yet!

Oh, and don't forget getting those Scholarship applications to your local schools. That time of year will be upon us faster then you think! Thank you.

This concludes my report.

District 28 Education Chairman

Molly K. Smith
