

American Legion Auxiliary

Department of California

Education E.O.Y. Bulletin

15 MAY 22

Madame District President, Chairman, and Auxiliary members,

This Chairman had 10 Units report for end of year with half having no activity. I received one supplemental that was disqualified due to lack of cover page.

4 Units reported donating "Give Ten" supplies totaling \$428.59. Unit 512 adopted a new teacher and donated \$300.00 worth of pens, pencils, notebooks, paper, etc.

Department Education funds received \$422.17 from 4 units. \$195.00 was given by 6 Units to District 28 funds. Currently in our district funds after Scholarship award payments we have \$400.71.

Unit 512 reported activity during 'National Education week' by holding a read along for special needs children in November.

Scholarship applications were given to counselors by email, in person, and shared with qualified members in respective Units. Units reported awarding Scholarships in the amounts of \$1,000.00, \$700.00, \$250.00, and 3 @ \$100.00 each totaling \$2,250.00. The three \$100 awards were given to Girls State candidates

The Connie Settles and the Re-Entry Scholarships were applied for but our District E21 didn't have any applicants.

Only \$31.00 of Poppy Seals were purchased by 3 Units. No activity was reported for 'Veterans in Community schools' project.

Even though, due to the Pandemic, Units did not have their usual flurry of activity, some great, new ideas popped up!

Unit 694 started a 'Paint and Sip! Event and the first one had 56 people attend raising \$675.00 for their Scholarship funds!

Unit 589 gave a Senior member a \$100.00 check for graduating from college! Nice.

Currently we have a new "Rally Up" basket up for grabs with Atry cellars wines, 3 bags Lindor Chocolates, Russell Stover's Pecan Delights, 750 ml. Bottle Bacardi Rum, mixers, candles, cozy blanket, cocktail, and wine glasses. It's a yummy treat and your support for this basket is be greatly appreciated. We thank member Beatrice Jansen Unit 589 for the wonderful wines! Last check, \$145.00 had been donated with 12 days to go! Get your tickets now, don't miss out on this great package! All proceeds for District Scholarship funds.

This kids surfing out respectfully,

Molly Smith

District 28 Education Chairman
