

American Legion Auxiliary
Department of California
District 28
Girls State

March 2022

Madame President, Officers, and Ladies of the Auxiliary,

Girl's State has finally secured a site to have their program this year. A contract was signed with Sacramento State.

On the last zoom, which was held on March 15, 2022, they went over several things. It was asked how we would know if candidates completed their registration. Allyn said we could check google documents. Also, in the google documents is the entire packet needed for the delegates.

A check can be sent into Department even if we do not have a delegate's name. The fee per delegate is \$425 which must be mailed by March 31, 2022. The check must be made out to ALA Department of California and sent to the San Francisco address. If for some reason you need a little bit of time, you must reach out to Allyn or let me know and I can contact Allyn.

Once again it was said that all delegates must be vaccinated and there will be no exceptions. They will need 2 shots to be considered fully vaccinated. If they received both of their shots before January 15th, they would need a booster before attending Girl's State.

A transportation bus company has been secured. They are hoping for little to no cost for transportation. More information will be provided with the stops the bus will make for pick up at the next zoom meeting.

Our Annual Girl's State and Boy's State luncheon has not been set. We will know a date and time after the District 28 Legion meeting.

Respectfully Given

Linda Lara-Guzman
District 28 Girl's State Chair
