District 28
Historian Report

September 18, 2022

Good morning Madame President and District 28.

And to all members, Good morning.

I am in charge of keeping a photo book record of President Esther LePore's activities this year.

Since most of all our events are stored online and on your Facebook pages, I would like to ask for your help to give me any prints that you could make as President Esther makes her official visits to your Units.

I have started my collection with a poster board of random pictures for displaying to you today.

and at the end of the year I will place them in to a photo album.

Esther has attended 1 official visit to Gonzales

She attended Clovis workshop for training

She had a fun time at a bingo games at Unit 589 Salinas

Esther visited the Blue star mothers fundraising booth in Prunedale. If anyone has taken any pictures please send them my way.

Thank You Sincerely Lisa Casarez D-28 Historian
