

American Legion Auxiliary
Historian Bulletin #3
District 28
Chairman: Elizabeth Doidge

National is asking for some help on some projects.

1st is the Member Remember History Project. This project involves seeking out a long time member so they can highlight they years in the Auxiliary. Ask them to share their stories of being an Auxiliary member. Find out if they are a charter member of a Unit. Ask about their experience starting a Unit. Ask about their eligibility and how many generations of their family have been members of the American Legion Family. Make a video and take pictures of the interview.

The 2nd is the Veteran's History project. This project involves interviewing a Veteran and submitting their story to the permanent collection with the Library of Congress. The mission of the Veterans History Project is to collect, preserve, and make accessible the personal accounts of American war veterans so that future generations may hear directly from veterans and better understand the realities of war.

Remember to keep your cameras or phones handy at all times because you never know when you might be able to document the perfect moment.

Respectfully Submitted
Elizabeth Doidge
