**November 2022**

Madame President and Officers,

The Junior Activities mid-year report is available online. While the full contents of the Department Website are not accessible due to technical difficulties. The midyear reports are posted on the current page that is displayed when going to [www.calegionaux.org](http://www.calegionaux.org). When the page loads, just scroll down a little bit to find the midyears and bulletins. Speaking of bulletins, sadly there have not been any recent ones for Junior Activities. As such this chairman doesn't have much to report. Please be sure to work on your midyear reports. It would be wonderful to report to Department that we have 100 percent reporting. Remember, even if you have nothing to report, you still must complete the Unit data section at the top of the form and then annotate no report. At least 3 units should have reports because they have received Junior Conference tickets. This chairman hasn't yet been able to obtain more everyone unit can participate though.

Overall, this chairman looks forward to receiving your midyear reports by December 1<sup>st</sup>. Thank you in advance for getting them done on time.

This concludes my report.

Respectfully submitted,  
Rebecca Glenny  
Junior Activities Chairman
