Madame President, Officers and Members of the Auxiliary,

Only 1 code change occurred at Convention in Visalia this year. I have provided a printout of the code for all Units in this packet. Please be sure to advise your chairman that this is the most current copy and to use it as there was an error on the one posted on the website.

Code #8 was updated to clarify items, responsibility, and where funds and ticket stubs are sent. It now reads:

The Department Chairman shall be responsible for the promotion of Junior Conference and all fundraising efforts in support of the conference. All ticket stubs and all funds will be earmarked Junior Conference and made payable and sent to the Department Treasurer. The Department Treasurer will provide Junior Activities Chairman a report on the collected funds and forward ticket stubs monthly. (2022)

Per this change they are no longer sent to the Department Secretary. Moving forward, be sure to send Junior Conference tickets and money to the Department Treasurer.

This concludes my report.

Respectfully submitted,
Rebecca Glenny
Junior Activities Chairman
