

American Legion Auxiliary  
Department of California  
District 28  
Leadership Bulletin  
January 22

Hello Members

Our meeting of the Department Executive Committee was very informative. I was able to spend time with our Department Chairman, Tracy Varnell-Fercho. She encouraged all member to take the ALA Academy training courses on the National website at: [alaforveterans.org](http://alaforveterans.org)

Liz and I have been discussing options for a Leadership training for our District. We would like to use the same format used at DEC, like a program fair. Chairmen will be asked to set up a display highlighting their program. Each Chairman will then take turns presenting their program to the whole group. These presentations need only be about 10-15 minutes in length at the most. I am looking for a Unit that would like to host this event in March as End of Year reports will be right around the corner. You may receive information about a program that could be reported. This will also get the creative juices flowing for the coming year. Please let me know as soon as possible if you would like to host us. Lunch may be included, or we can bring bag lunches, depending on logistics.

Thank you all for what you do for the Auxiliary, our communities, and most importantly, our Veterans.

Respectfully Submitted~

**Robin**
