Madame President, Officers, and Members of the Auxiliary,

Good morning and Party greetings!

This report will start with a huge thank you to all the units for their mid-year reports. All reported and none with no activity. All the Units reported to me about how the units provide membership dinners, membership drives, always have fliers and membership applications available, a calendar of events, and fun reasons to come to the post. Post 694 in Marina has weekly dinners on Mondays and Thursdays, Karaoke, Trivia nights, Paint and Sip, Bunco nights, and Bingo events. This Post and Unit work together to encourage members to volunteer at Farmers Markets, City Anniversaries, and National Night Out. Unit 694 created a tri-fold pamphlet with all the District Posts, Units, and Squadrons. This information is well received and shows the district as a wholesome and connected family.

Unit members reach out to their friends and relatives who qualify for membership or have allowed their membership to laps. Many "we miss you" letters have been mailed out to those members who have not renewed. Social media posts about events that are open to the public are well received within the area. The units use Facebook, Instagram, and Unit-run websites.

The challenge from Gloria of Unit 31 to Janet of Unit 694 to reach goal is well on its way. Unit 31 is so close to 100%, just 6 more members! Unit 694 has a lot of catch up to do. Do not forget that the winners will be given a cake and hats for their effort and the losers may have to wear some sort of costume while serving the cake. Keep up the membership renewals and new member acceptances. The birthday cake waits for goals to be met. I have provided for our lunch today, a birthday cake for extra sugar to assist into the push for more members.

The Birthday Party theme is continuing into the new year. Remember, the Unit Membership Chairs are the “Noise”; so, blow those whistles, and make sure to loudly proclaim your membership. And do not forget to send your new membership applications into Department office as soon as you are able.

If you have any questions about membership, you can always go to the Department website, [www.calegionaux.org](http://www.calegionaux.org), for quick answers. And I am always within reach of my phone.
