

**American Legion Auxiliary
Department of California
District 28
Membership**

November 2022

Madame President and Officers,

Good morning, everyone. It's hard to believe that we are almost halfway through the Auxiliary year but it doesn't mean we are half way done with working on our membership goals. Congratulations to Unit 512 of Carmel for making 100% membership by November 11th! You've set the bar high, and this chairman is confident the rest of the Units will catch up. As a matter of fact, overall our district is doing well, we are ranked 8th out of 30 districts Department wide. However, we still have more members to renew, rejoin, and recruit.

As a reminder, the 2nd chance drawing for a 2-bedroom suite for 7 days in Las Vegas, donated by our Department Commander Romano and our First Lady Martha, is still up for grabs. All members paid by December 14th are eligible to win. Be sure to get them on the books in ALAMIS by the deadline. You may even want to take advantage of the holiday season to contact your current members who haven't yet renewed. The holidays can be tough on some, to while talking to them about renewing, you could also find out if they could benefit from other programs. Perhaps they could use assistance such as turkey for the holidays or maybe it's more serious and they need AEF. If nothing else, you can spread some holiday cheer and let them know that we appreciate them and their support.

There is also one last deadline to mention. Unit level membership midyear reports are due to this chairman no later than December 1st. Since everyone is actively working membership, this chairman is confident she will have 100% reporting.

This concludes my report.

Respectfully submitted,
Rebecca Glenny
Membership Chairman
