

Unit 41 Report

September 18, 2022

Madam President Esther, all District Auxiliary officers and members,

As of our last D28 meeting on May 15, 2022, our Unit 41 has made quite a bit of traction.

In June, prior to our Visalia convention, we updated our Standing Rules which were signed at convention. Our Unit donated 4 new sleeping bags along with a variety of collected clothing to the 2022 Stand Down. In addition, we made monetary donations to both AL Post 31 Honor Guard and PFC Jeremy Griffin's Memorial Service at the Presidio of Monterey.

Moving along to July, our Unit has now been providing salads for our Post 31 Steak Luncheon's on Wednesdays. An exciting event was donating and setting up a graduate from VTC housing into his own apartment. Our Financial Audit was completed and sent in. Whew! We are now in the works for finding all veterans in our community for the Buddy Check program.

August came quick but we scheduled four new fundraisers all which began in Sept.

And here we are in September and the first event was the 12th which was a Monday night football Chile Verde enchilada dinner which netted us \$185.00. Taco Twosday came on the 13th... which just about broke even but with all the extra condiments our next Taco Twodays on the 27th will bring great reward. Sadly, we all (here at this meeting) will miss our first 1p 49'ers Game Day lunch of Chile Verde, Salmon Tacos with a Mango Salsa Chips and Guacamole... but that's ok, you can still mark your calendar as we have our upcoming Paint & Sip on Friday the 23rd which will be a hoot. Food will also be available that night for a minimal cost provided by our Post 41 members. To end my report on a happy note, we got our Poppy order in!

As a final wrap to my report, myself along with 1st Vice Deb Trulson passed our ALAMIS training and were able to renew 15 members and add two new members all online! We currently have 36 members, 18 paid to date and 18 due to renew.

Always yours in service,

Kimberly Stuhler, ALA D28 Unit 41 President
